## Do the Work of an Evangelist

*Above photo of the Ecuadorian evangelism team ready to share the Gospel of Jesus Christ in a community where there is no evangelical outreach.*

Be ready at every opportunity to share Christ with the lost.

In September 2024, we observed our Lord and Savior redirect our team, and swing doors wide open to present the Gospel of Jesus Christ in an unchurched area of Ecuador.

**"PREACH THE WORD; BE READY IN SEASON AND OUT OF SEASON ... DO THE WORK OF AN EVANGELIST, FULFILL YOUR MINISTRY" (2 TIM. 4:2, 5).**

The Lord watched over our Nurse Practitioner on this trip. In addition to her medical practice Donna Cobb led 7 people to Christ while witnessing door to door.

*John and Jane Howell are seen leading a group of workers to Christ in a fruit packing plant. The manager let the employees go outside and hear the presentation of the Gospel, and they each put their faith in Christ as their Savior. Be ready at every opportunity as the Lord of the Harvest opens the door to go down the Roman Road with the plan of salvation.*

**In September 2024 our evangelism team saw 52 people come to Christ in San Vicente de La Lacas and Ungal Grande, near Riobamba, Ecuador.**

Billy Windham, another Nurse Practitioner and I were out witnessing on a break from doing medicine. We came up on John and Jane Howell and their translator, Daisy. She had translated the gospel presentation several times in the last three days. I sensed the Holy Spirit leading me to ask her, "Daisy, what is your relationship with Jesus Christ?" She gave honest, sincere responses, but had no personal relationship with Christ. Again, I walked her down the Roman Road, and the Holy Spirit made it wonderfully clear that she needed to repent and put her faith alone in Christ for salvation. On the roadside we all prayed and rejoiced with her in Christ.
