

Abide in Christ

Prayer and Praise with
Wil and Ann Pounds

Right Person in Right Place

Above picture Kesler a youth pastor in our Evangelism in Depth conference. He has 47 youth being disciplined for baptism. He is using our materials with his youth. We are presently reprinting 1000 new training manuals for Nicaragua.

I woke up this morning 3:30 am thinking about the call of God to preach and serve as a missionary 64 years ago on April 10, 1960. I share my testimony at the Evangelism in Depth workshops and conferences.

John Howell and I just returned from teaching personal evangelism in two locations in Northern Nicaragua. When I woke up I was trying to put into words that **sense of meaning when you are the right person, in the right place, at the right time, preaching the right message to God's glory alone.**

Above photo of Aristides and his wife giving a demonstration of personal witnessing using a Spanish New Testament with Roman Road verses marked. All participants receive a free Spanish New Testament and Evangelism in Depth training manuals.

"HOW ARE THEY TO BELIEVE IN HIM WHOM THEY HAVE NOT HEARD?" (ROMANS 10:14).

At the end of one of the training sessions I was observing the participants, listening to their responses to the evangelism method we were teaching. They were saying, "This is what we need. We have never heard this method of sharing Christ. It is easy to present and is complete."

Wil and John with Aristides the pastor who teaches church leaders our Evangelism in Depth courses in Nicaragua. He follows-up on our evangelism training there.

There is nothing new about our method of personal evangelism. We do not modify the message to make it culturally and psychologically appealing. It is not a cultural adaptation of the gospel message.

Above John giving a presentation to pastors and church leaders at Evangelism in Depth conference.

Over the years I have steadily affirmed that the Roman Road is the easiest and most complete presentation of the saving Gospel. It deals with our sin problem and God's unique solution by Christ paying our sin debt. I began using it as a college student, then developed the Evangelism in Depth training program for use in Panama, Ecuador, Colombia, Honduras, Nicaragua, Peru, India, Ukraine, U.S., etc.

The wonderful thing is it works, and the Holy Spirit blesses it as He leads in the presentation to lost individuals.

A PERSONAL VISION FULFILLED

Ann and I have watched God lead, guide and provide over the past 64 years. During the last several years we have been preparing Abide in Christ for the next 25 years. We have an excellent dedicated Board of Directors committed to Evangelism in Depth. I continue to serve as President of the Board, teach and preach as the Lord continues to open doors. In August I will return to Ecuador and give presentations at the Peniel Seminary graduation. In September I will be a member of the AIC

Medical Dental Evangelism team returning to Guayaquil, Ecuador and will work with Damaso and Alejandro and Peniel seminary students evangelism teams we have trained.
